

## ABI PROGRAM

### CALENDAR OF APPLICATION DATES

#### General Program Information

The ABI Program admits new students five times a year--at the beginning of the Fall Semester, mid-Fall, at the beginning of the Summer Session, and at the beginning of the Spring Semester, and mid-Spring. As a limited number of students are accepted for each enrollment period, prospective students are encouraged to submit their applications as early as possible. Applications received after the Priority Consideration Date will be reviewed for admission on a "space-available basis."

#### Mild Head Injury Group

In addition to Coastline's full-time ABI Program, we also offer a MHI Group for individuals who have sustained a concussion or mild head injury. The class dates and application deadlines listed above also apply to this group. If you are a potential candidate for this group, please submit your application and records at the earliest possible date so that we may determine your eligibility and establish an enrollment date for you.
